*"There has been a marked improvement in my son's behaviour over the last 2 wks which my*

She is now more than happy to go up to bed on her own, and is a popular member of her class!"* - Mrs G., Kingston

My skin/hands (not even the main reason for my visit, but a long-term ailment) improved after one remedy and the hair issues after the next session. Other advice/techniques on how to deal with situations and feelings of being overwhelmed also very helpful"*< Mrs P, Ashstead

**"I have been so happy to meet Meike, she is a very caring person and takes a lot of time and trouble to assess me wholly before prescribing. It has taken time as my problems are quite complex, but being with her is such a safe feeling and I think she is helping me a lot. The last remedy prescribed has surely helped. It is better than seeing a therapist!"** Mrs P, Cobham

***The case taking for my daughter was very thorough. I appreciated the feeling that Meike was always at the other end of the phone for queries. I also appreciated the general advice to help the treatment. Meike has a style that speaks 'mother to mother' which I found useful and felt that she could relate to my situation.*** - Mrs B., Reigate.

*"I experienced times of persistent negative cycles of thought which were stopped by my taking my remedy. My outlook is calmer and more positive. I found homeopathy more effective than other things I have tried. I feel I've found a way to quickly feel better. When I sense I'm beginning to feel stressed, worried and depressed, talking to Meike really helped me to work out how I felt, which also helped, and GPs cannot ever give you this time or focus on finer"* - Mrs N., Bookham.
